SKATING INFORMATION

January 18, 2023

Students in Kindergarten to Grade 3 will be bussing to the Castlegar Complex to enjoy 3 skating sessions - **JANUARY 31, FEBRUARY 7, & FEBRUARY 14.**

We are also excited to have the Castlegar Rebels join us for the first two sessions!

Total cost for the 3 sessions will be \$5/child. Please login to ActivityRight, to complete your child's permission and pay the fee. **This must be done no later than Jan 26th!**
 Cost will not be a deterrent to your child skating.

VOLUNTEERS: We invite and need volunteers to come with us! We will need help with tying skates and skating with the children. Please express your interest in volunteering on the ActivityRight permission form. **If you will be volunteering, please meet us at the complex!**

Please note: As volunteers will be under the direct supervision of teachers, a criminal record check is not required, although it is preferred!

To complete a criminal record check for this activity, or for future opportunities, please visit our website: <https://www.tr.sd20.bc.ca/apps/pages/volunteering>

We have divided the classrooms into two groups:

- **HELMETS ARE MANDATORY** for every student who is skating! Please ensure the helmet is fitted to your child's head before their skating sessions. Helmets should fit secure (doesn't move when their head shakes), with the straps tight under the chin.
- **No Hockey Sticks Please!**
- Children must be dressed warmly for skating; winter jackets and gloves are necessary; Snow pants for new skaters are HIGHLY recommended.
- Label **ALL** your child's belongings, including their skates, so misplaced items can be returned easily.
- Please make sure your child's gear is packed in a sturdy bag (plastic bags are not appropriate, as the skates will poke holes!).
